

Arbor Heights PTA – General Meeting Notes

February 16th, 6:30pm

Call to Order/Opening Comments/Minutes Approval – John

Communications – Lisa

Overall good response on getting communications forms back. Please keep them coming and spread the word as to how important this information is.

Arbor Heights Communicator – PTA info is in there. The Communicator is also linked to the wiki website.

John – Great reason for communication sheet is that the school has extra phone numbers in order to reach people. For example on days like the snow day when kids were released from school early, several kids were waiting at school before someone could be reached.
